EASTMAN

All-in-one whirl

BlendTec chooses Eastman Tritan™ copolyester for its all-in-one appliance.

BlendTec is all about convenience in the kitchen. The Total Blender Classic is an all-in-one appliance that makes smoothies, fresh juice, ice cream, milkshakes, margaritas, soups, bread dough, and more. The versatile blender includes BlendTec's new precision-tuned 4" blade in a nearly 3-quart WildSide jar made of BPA-free Tritan copolyester. The superblade and large jar combination handle tougher blending tasks and multiple ingredients with ease. One easy-to-use machine taking the place of several appliances, the Total Blender Classic streamlines kitchen tasks and cleanup. Its crystal clear, unbreakable Tritan jar fits the bill for convenience, efficiency, and lasting durability.

For more information on Eastman Tritan™ copolyester, visit www.eastman.com/tritan.

The BlendTec commercial quality countertop blender features a shatterproof and dishwasher-safe jar made of Tritan.
