 CLEARLY BETTER. TRITAN.

# PURE AND SIMPLE AND BUILT TO LAST MADE WITH TRITAN™ FROM EASTMAN

Waterwise is committed to being a leader in water purity. The 3200 Countertop Distiller builds off that leadership—with features that make it beautiful, reliable, and practical to use. The 1-gallon serving carafe is made with Tritan™ from Eastman—for the elegance, clarity, and robust feel of glass without the excess weight or risk of shattering. Food grade Tritan creates a glossy, glasslike surface that resists odors and stains and is easy to keep clean. Unlike other plastics, Tritan can withstand repeated sanitizing dishwasher cycles.

## CLARITY

Glasslike clarity and gloss;  
resists unwanted stains and odors

## DURABILITY

Impact and temperature resistant;  
withstands repeated dishwasher cycles

## STYLE

Tasteful and practical design;  
quality look and feel of glass

## SAFETY

No more shattered glass;  
100% BPA and BPS free

*For uninterrupted distilling,  
keep a second carafe on hand  
for chilling or serving.*
