## Fresh-squeezed taste

*Zing Anything chooses Eastman Tritan™ copolyester for its cleverly designed Citrus Zinger.*

Adding fresh citrus to your water squeezes a little more fun into your hydration routine. The Citrus Zinger by Zing Anything offers an easy way to extract juice from citrus fruits such as lemons, limes, or clementines, infusing fresh flavor directly into the water bottle. Made of BPA-free Tritan, the Citrus Zinger features an easy to clean, removable citrus press and is designed so that ice can be added via the bottom opening. The clever finger hole design makes for easy carrying, and it's tough enough to withstand repeated trips to yoga class, the office, or around town.

**For more information on Eastman Tritan™ copolyester, visit [www.eastman.com/tritan](http://www.eastman.com/tritan).**

*The crystal-clear Citrus Zinger made of Tritan allows one to enjoy colorful citrus hues, enriched taste, and aroma right from the water bottle.*
