EASTMAN

Healthy starts here

NUK chooses Eastman Tritan™ copolyester for its versatile Smoothie and Baby Food Maker.

A healthy lifestyle can start at any age. NUK introduces their new Smoothie and Baby Food Maker made with BPA-free Eastman Tritan™ copolyester and designed for a healthy beginning for your baby. The NUK Smoothie and Baby Food Maker is allowing parents to make healthy homemade baby foods and drinks that are easy and affordable with its easy, one-touch blending action. The bowl and sippy cup are made with Tritan, making it inherently tough and resistant to cracking and crazing. With dishwasher durability, clean-up is a breeze for families on the go.

For more information on Eastman Tritan™ copolyester, visit www.eastman.com/tritan.
