KOSHER CERTIFICATE

Certificate#: 0101 Page 3/3	Certification Period: June 30 2027	Date: 9/2/2026
Company: Eastman Chemical	Type: Chemical Company	Contact: Lisa Feathers
Location: 200 South Wilcox Drive, Kingsport TN 37660 - 1/3	Details: 25 Products	

Regarding the aforementioned 25 products of Eastman Chemical, 200 South Wilcox Drive, Kingsport TN 37660, which are produced under my supervision, please note.

- Kosher status of these products is only is only guaranteed when ordered as Kosher.
- To ascertain Kosher status of packaged items, the word 'Kosher' must be present in the description section of the Eastman label.
- To ascertain Kosher status of bulk chemicals, the word 'Kosher' must be present in the product description on the bill of lading.
- The certification of Kosher products incorporates certification of their transport by approved Kosherized vessels to storage facilities, and certification of the storage at those facilities at terminal locations.

Rabbi Aharon Cohen
