Fashionably sustainable, luxuriously innovative

Naia™ Renew filament yarn for ready-to-wear apparel

Stylish fashion has never been so effortless thanks to Naia™ Renew filament yarn. Fashion fabrics and garments made with Naia™ can seamlessly transform from elegant cocktail dresses to sophisticated office attire, ensuring you’re dressed to impress for every occasion. And Naia™ serves more than looks. It’s also incredibly comfortable and easy to care for, so your customers will want to fill their closet with this sustainable option.

Perceive the possibilities.
You look your best when you feel your best. Naia™ Renew filament yarn is your go-to for comfortable, chic fashion. Its quick-drying and cool-to-touch properties keep you cool and dry. Plus, Naia™ is naturally hypoallergenic.
Enjoy the splendors of versatility.
Nothing wows like the perfect-fitting garment. Naia™ creates beautiful fabrics with rich colors, bright lusters, matte finishes and silky-smooth hand that drapes luxuriously. With Naia™ Renew, fabric possibilities are endless.

Break up with your dry cleaner.
Luxury fashion doesn’t mean special laundering responsibilities. Garments made with Naia™ Renew filament yarn can be laundered at home, so they’re just as practical as they are beautiful. These beautiful pieces are not only easy to maintain but also equipped to manage odors and resist stains, so your customers stay satisfied and loyal.

Sustainable style, your way
